### Remarks

AMAZING view lot on level 5 acres in gated airport. This corner lot is PERFECT for your next "Pilots Dream Getaway Home". Located right on the runway and zero flood! Bring your plane, bring your horses, bring your ATV's as this is the PERFECT location for all your outdoor adventures. Airport borders state and BLM land so endless miles to explore. This is a terrific airport with great neighbors, classic car shows, potlucks and social gatherings PLUS, a 3900' X 40' lighted paved runway. GREAT runway and INCREDIBLE VIEWS are waiting for you ...
